

ITG ENSEMBLES

Learn Together. Create Together. Perform Together.

We're excited to introduce **ITG Ensembles**, a new opportunity for In the Groove students to take what they're learning in their private lessons and experience what it's like to make music with others.

Students will collaborate with other musicians, build repertoire, develop their performance skills, and work toward live performance opportunities.

ITG HOUSE BAND

8–10 Students | 90-Minute Weekly Rehearsal | \$129/Month

Our largest ensemble and full contemporary band experience.

A typical band may include:

- 2–3 Vocalists
- 2 Guitarists
- 2 Keyboardists
- Bass
- Drums
- Additional/Flex Instrument

Students will learn how to rehearse as a band, develop arrangements, listen and communicate with other musicians, build stage presence, and prepare a complete set of music.

ITG STRINGS

4–8 Students | 60-Minute Weekly Rehearsal | \$119/Month

A collaborative ensemble for violin, viola, cello, and other string players.

Students will work on harmony, ensemble playing, listening, dynamics, and contemporary arrangements while learning how to perform together as a section.

ITG VOCAL ENSEMBLE

4–8 Singers | 60-Minute Weekly Rehearsal | \$119/Month

A group focused on vocal harmony, blend, lead and background vocals, a cappella singing, and performance.

Students will have opportunities to rotate roles, develop harmonies, perform solos and duets, and create arrangements together.

ITG SESSIONS

Small-Group Music Experience

Trio — 3 Students | 60 Minutes/Week | \$149/Month per student

Duo — 2 Students | 60 Minutes/Week | \$179/Month per student

ITG Sessions are intimate, curated groups designed around the individual musicians.

Groups may include combinations such as:

Voice + Guitar

Voice + Keys

Voice + Guitar + Keys

Voice + Guitar + Percussion

Voice + Keys + Percussion

Two Vocalists + Guitar or Keys

Students develop musical communication, accompaniment, dynamics, arranging, collaboration, and performance skills while taking on a larger individual role within the group.

HOW IT WORKS

All ITG Ensembles meet **once per week**.

Programs are offered as **12-week sessions**, with tuition billed monthly.

Students are placed into ensembles based on:

- Age
- Experience and skill level
- Instrument or voice
- Musical interests
- Rehearsal availability
- Overall group compatibility

Submitting an interest form does not guarantee immediate placement. Our goal is to create groups where every student has an important musical role and can grow alongside musicians at a compatible level.

PERFORM

Every ensemble will work toward opportunities to take their music beyond the rehearsal room.

Performance opportunities may include:

ITG Recitals & Showcases • Community Events • Festivals • Markets • Special Performances

As our ensemble program grows, groups may also have opportunities to collaborate with one another—including our bands, vocalists, and string players performing together.
